

The Asian American Resource Center (AARC), to be located at 8401 Cameron Road north of Hwy 183 in Austin, Texas, is about to begin construction. The project is in need of operating funds. As part of our capital campaign, you can have your name engraved on a limestone wall located near the plaza and front entrance of the building.

A limited number of names will be displayed. They will be half-an-inch in size. The net proceeds of your donation will fund AARC operations. Cost is \$ 200 per name, with \$175 of the amount tax deductible. Ordering early is recommended to guarantee a spot.

Please forward this to your organizations and friends and family. This will make a great holiday gift, a heartfelt commemoration in memory of a departed loved one, or a nice year-end tax deduction (\$175).

Free Donation Certificate: We will send you a personalized **Donation Certificate** for each person's name. Just email your request with your order, and you will receive a certificate you can print out, frame or gift wrap. Just in time for the holidays!

We have translators available for Chinese, Korean and Vietnamese. Other languages are available upon request.

*If you are emailing to an organization, please let me know so I can keep track of them. Thank you.

** The AARC Board has decided to replace the ground pavers with a Wall of Donors instead. The orders that have already been replaced will still be honored.
